OSA 0169-64  
17 February 64

25X1A

Sonic Boom

1. I have made attempts to procure a study, "Studies of Sonic Boom Induced Damage", Langley Research Center, Langley, Virginia, 25 June 1962.

25X1A

2. , called and advised that she has the name and number of an NASA official who can get a copy for us. However, he is reluctant to release a copy (albeit the document is unclassified) unless it is to a "responsible" government official.

3. You are the most "responsible" person I know, and the above info is supplied in the event you wish a copy of the study.
